

People awareness,
with «theater forum»,
for more prevention and care
of Chronic Pain

« Aïe plus jamais ça »

2011 to 2016, 2018 ?

PLUS JAMAIS ÇA !

*Journée internationale
du théâtre pour
l'UNESCO*

THÉÂTRE FORUM
dimanche
27 mars 2011 à 14h30

Salle Paul Garcin Impasse Flesselles Lyon 1

Entrée gratuite*

Partners

- « Douleurs Sans Frontières » (DSF) :
Professional Health oriented NGO
- « Association Francophone pour Vaincre
les Douleurs » (AFVD) : Patients'
Organization

**This partnership promotes exchanges of
expériences between professionals and
patients' associations**

- And the « Compagnie Tenfor Theatre »

*Representations and beliefs on pain,
are still, up to date, obstacles for
taking care of pains*

Objective: To promote people
changes of behaviors and
attitudes towards pain

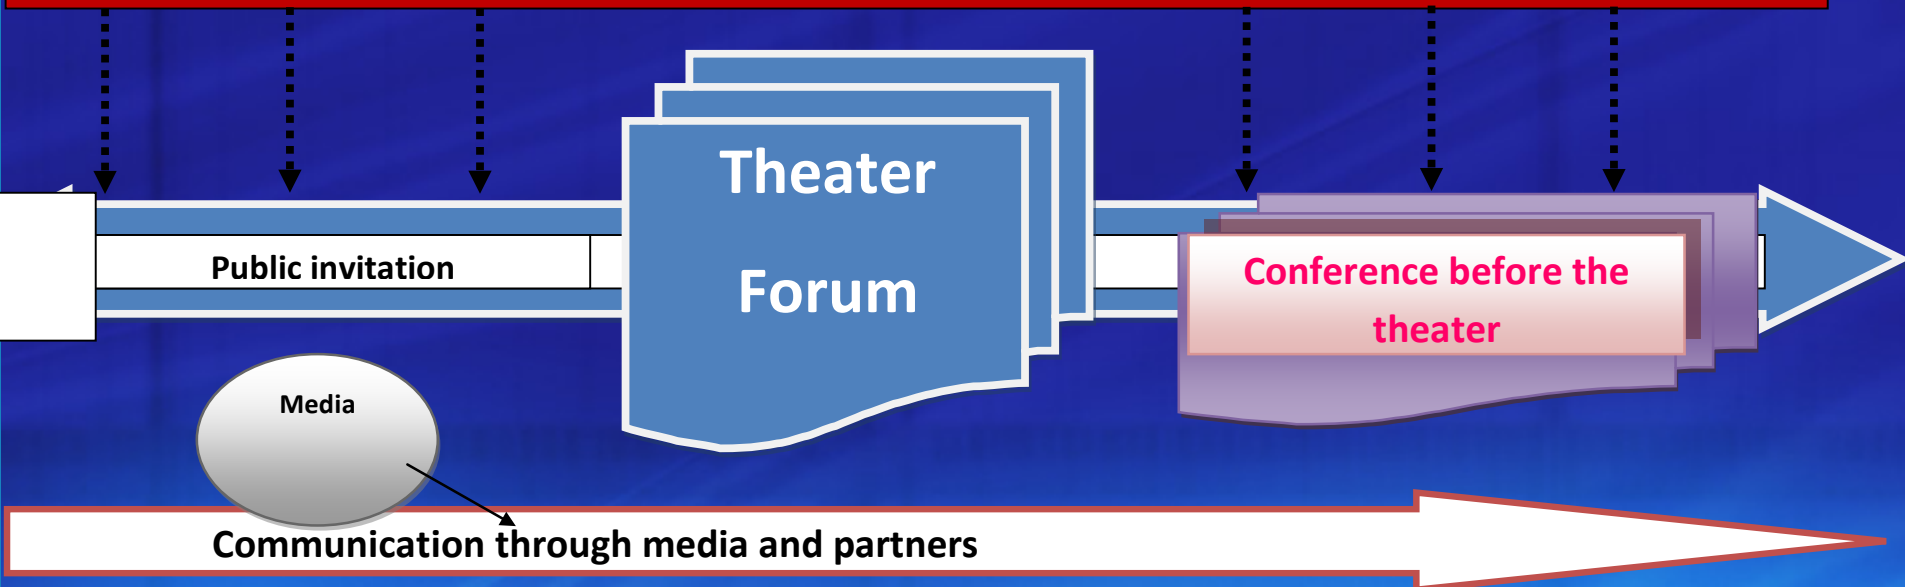

Actors of the Good Practice

Targeted Public: families, people in urban and rural areas

Involved partners: Public Institutions, Civil Society Organizations

Professionals of Health, Health institutions, etc.

Public invitation

**Theater
Forum**

**Conference before the
theater**

Media

Communication through media and partners

Keys to grasp

- Bring together associations of patients and associations of health and social professionals
- Involve public stakeholders from Health and Culture services

Feedbacks of spectators will be compiled in a « livre blanc » to be submitted to the French Government, on the horizon of national sessions of the civil society, on pain.

Reproducibility

- Ongoing development of the theatre in other places in France and other countries
- Adaptation of the theatre on new topics like presently « child pain »

Thanks for your attention
